

Slough Lifelong Learning

Web Design for Business Intermediate

Venue: Slough & Eton School Adult Education Centre, Ragstone Road, Slough SL1 2PU

Time: 1800 to 2000

Duration 10 weeks

Cost Free £50.00

Course Aim

To build on the skills from the beginners' course, to allow students to design and build a more complicated site using HTML and CSS. To have a better understanding of design skills, and to be able to add basic dynamic elements to their site.

Planned Outcomes

As a result of your learning you should be able to:

- ✓ Use CSS to build a more complicated web page
- ✓ Build a simple 2D Flash animation
- ✓ Add simple dynamic elements to a web site

Additional information

- ✓ Learners must have prior knowledge of PC use & ideally of MS Office products
- ✓ Learners should be able to communicate & understand English
- ✓ Bring a notepad & pen to take notes if necessary

Planned Special Activities

- ✓ Learners will get to design & create their own website using FrontPage

Qualification Slough Lifelong Learning Certificate of Attendance

Please note certificate will only be awarded to those learners with a minimum attendance of 90%
