FRIDAY REVIEW

Friday 5th June 2009

New Timetable

We have moved the school on to its new year timetable. The School Council were keen to move away from double period lessons for all lessons and to have a mixture of singles and doubles. We have incorporated this into the new timetable and I am pleased with the way things have gone this week. There are one or two teething problems with sets but these will be sorted out.

Eton Partnership

On Thursday evening Slough and Eton hosted a group of pupils from Beechwood, St Josephs, Heston and Windsor Boys' The Chief Executive for the Royal Borough of Windsor and Maidenhead, Ian Trenholm, spoke to the pupils about some of the pressing issues of having to deliver public services. The pupils had the opportunity to let Mr Trenholm know what improvements young people would like to see in the community. This was the first of regular meetings where the pupils will have the opportunity to get their views across to decision makers locally and nationally.

Disrepute

It has come to my attention that images have been posted on the internet that show Slough and Eton pupils fighting off site. I have also been informed of other incidents that have happened off site that bring the school into disrepute or affect learning in the school. Any pupils involved in these incidents will be dealt with severely for bringing the school into disrepute.

Duke of Edinburgh Expedition

A group of nineteen Year 9 & 10 pupils completed their Duke of Edinburgh Final Expedition over the half term, where they map read their way around the North Downs Way following a sixteen mile course. Everyone worked extremely hard and were very successful, completing it with smiles on their faces even after the hard slog up Box Hill to enjoy the ice creams that awaited them at the summit. They now have their presentations to do in order to complete the full Award. Well done to everyone involved.

Adult and Community Learning

The adult and community learning centre is now a UK online centre. If you would like to learn how to use the internet or how to send an email we can help you get started. Or perhaps you would like to find out how to do your supermarket shopping, book a holiday or do a job search using the internet? We offer free internet access and will help you register on the 'my guide' website. Then you can choose the right online course for you. You can book an appointment with Jan or Tessa by phoning us at the Adult Learning Centre on: 01753 486 047.

Free Get Online Day

On 19th June between 8.00am and 2.00pm you can drop in without making an appointment and we can help you get started using the internet. All for free!

Science Museum

Before the half-term break the Science Department took 30 Year 10 pupils to the Science Museum where they had the opportunity to enhance their understanding of a range of topics, including Space. The pupils behaved exceptionally well and were a credit to the school.

ICT Coursework Deadlines

Year 11 SL and OU **must** submit all outstanding Unit 1 coursework by **Friday 19th June**. Unit 2 and Unit 21 ICT coursework is due **Thursday 25th June**.

If anyone requires further support there is a Coursework/Homework club everyday from 12.35 to 13.25 and after school on Wednesdays from 15.15 to 16.15.

Tesco Vouchers

We are busy counting up the vouchers for the Tesco promotion. Can we ask that you check whether you have any more vouchers yet to be handed in and if you do send them in to school reception. The more vouchers we get the more equipment we can get for school.

Cricket

A more successful week for our cricketers with Year 7, 10 and 6th Form all winning.

Year 7 travelled to Herschel Grammar on Wednesday and having been set a huge total of 121 for victory set about improving their recent poor form with the bat. A much improved performance saw Bilal Mir and Ilyas Chaudi retire at 20 and 21 respectively leaving Avas Anwar to wrap the match up. We

were helped with 60 extras from some extremely expensive Herschel bowling.

Wickets were picked up by Ilyas, Haseeb Salim (2) and Yasir Mohammad who also had the moment of the match by cracking the stumps with a fantastic run out from 20 metres.

Our Sixth Formers beat Beechwood School by 4 wickets.

Next week Year 9 (now Year 10) take on Slough Grammar on Wednesday and Year 8 play Langley Grammar (now year 9) on Thursday.

We would value your comments on any of the items in the Friday Review. Please email to head.pa@slougheton.com
