# FRIDAY REVIEW

Friday 12<sup>th</sup> June 2009

## Prize Giving

Last night pupils in Years 7–10 celebrated their achievements. Sir John Rowling gave an inspirational speech and we were very pleased that the Mayor could attend. It was a fantastic evening and the pupils were a shining credit to the school.

## Sports Day

Next Tuesday, 16<sup>th</sup> June, is Sports Day. Pupils will walk from school to Thames Valley Athletic Stadium and spend the day there. Sandwiches and fruit will be provided for pupils on free school meals but others will need a packed lunch. At the end of the day we will bring pupils back to school. We expect to be back in school between 2.30 and 3.00pm. If we arrive back in school early we will let them come home earlier than usual.

## Health Trust Competition

Seven pupils Sherisa Gumbs, Amandeep Virdee, Tania Bhutta, Junaid Latif, Hammaad Rehman, Deek Jama, and Gabrielle Mensah took part in a Primary Health Care Trust competition to promote healthier living and easier access to health care for the community. They presented their play at Wexham Park Hospital in a crowded theatre. The judges said they were outstanding and they are through to the final on 14<sup>th</sup> July where they could win up to £5,000 for the school. Congratulations to all concerned and a big thank you to Mrs Puri for guiding the pupils.

## Live Radio Interview On Asian Star1016

Mrs Puri, Emily Rose and Gabrielle Mensah were interviewed on Asian Star FM about their success in the Primary Care Trust competition above. The radio station were so impressed with the song composed by the team that they have kept a copy and they want to play it again and again.

## French Trip 3/07/09

An information meeting for parents whose children are going on the French trip will take place on June 17<sup>th</sup> at 6.00 pm in the Languages area of the teaching block. It will last for approximately 45 minutes.

## AIK SAATH Residential

Twelve Year 8 pupils went on an Aik Saath residential to Kingswood Activity Centre in Norfolk last weekend. The aim of the trip was to forge friendship links with pupils from Beechwood School who accompanied us and to develop better community relations within Slough.

Whilst there the pupils took part in many exciting activities such as archery, high ropes, wall climbing, aero ball (basketball on trampolines!). Everyone enjoyed the experience and new friends were made.

## Food Awareness Week

I am delighted to say that once again the new Year 11's have been excellent representatives of the school. Saira Ali, Charlie Jenner, Nahshana Gibson, Amy Hakizamana, Maryam Hussain, Sonya Khan, Sukrita Magar, Madeeha Sadiq and Zenab Tariq went to St. Mary's Primary School to take part in Slough's Food Awareness Week. They worked with pupils, teachers and NHS staff to run activities to promote healthy eating and living. The pupils were praised by staff for their mature and enthusiastic attitude and were a delight to work with. The pupils themselves were very positive about the experience and enjoyed themselves!

## Trip to Natural History Museum

On Tuesday 9<sup>th</sup> June, twenty five pupils from Year 9 visited The Natural History Museum in London. Pupils behaved in an impeccable manner and were a

credit to the school. They showed a real interest in the exhibits and enhanced their understanding of Rocks through a workshop.

## Peer Mentoring

On Monday forty-eight Prefects visited York Club, Windsor Park to develop their peer mentoring skills. They had a fantastic day, took part in lots of activities and were praised by the training staff for their enthusiasm and commitment.

## Adult and Community Learning (ACL) - Get Online Day!

We are launching Slough and Eton's UK Online Centre to the community with a special event on Friday 19<sup>th</sup> June. The ACL will be open early from 8.00am-2.00pm. Parents are invited to come in during the day and find out how to get online. We can show you how to use email and the internet. For example you might want to use the internet to help your children with their homework, book a holiday or do a job search. We offer free internet access and will help you register on the 'my guide' website. For further information please contact Jan or Heather on 01753 486047.

## New Mother and Toddler Group

## District Athletics Girls

Congratulations to the Year 10 Girls on their fantastic victory. The team was comprised of Emily, Nahyar, Amy, Shannon, Amarash, Dhanak, Gabrielle, Nahshana and Manjot. Individual winners of the championships across all year groups included Emily Rose (Shot Putt), Kelly Stanton (1500m), Nahshana Gibson (200m) and the Year 10 Relay (Amy, Nahyar, Manjot

and Nahshana). The entire team (Years 7 to 11) were great ambassadors for the school.

## District Athletics Boys

The boys teams all put in great performances. Our highest placed team was the Year 10 boys with a 4<sup>th</sup> place finish.
