

# FRIDAY REVIEW

## Multi Cultural Evening

Last night over two hundred guests attended the first of Slough and Eton's annual Multi Cultural Evenings. Pupils from all year groups took part in a spectacular show consisting of songs, poetry, drama and dance highlighting the ethnic diversity of the school. The entertainment was followed by a feast from around the world which families and staff were able to enjoy together. The Young Chamber did a fantastic job selling tickets and over twenty staff contributed to the success of the event. It was a real pleasure to see our pupils celebrate their culture at our school with such pride.

One guest, a parent at a different school, said "This has been an inspirational evening".

## Easter School

We are holding classes over Easter for Year 11, 12 and 13 pupils. Pupils should only come to school to attend one of those classes. They all take place in the first and third weeks of the holiday. Please remind your child to sign in at Reception when they arrive and to take the classes very seriously. The timetables have been issued to pupils and are also available on the school website.

## Year 7 Trip to Kingswood

Some Year 7's went to the brand new Kingswood Centre in Ashford, Kent last weekend. They all had a brilliant time creating their own music, climbing, abseiling, wizzing down the zip wire, aeroball, and much more.

The aeroball champion was Ben McGuinness and speed climber champion was Patrick Connors.

## Start of Summer Term

The school will re-open to all pupils at 8.30am on Monday 19<sup>th</sup> April 2010.

## Uniform

We have had an outbreak of skirts that are not appropriate

for school. Skirts should be plain black at least knee length, not too tight and they are not supposed to be fashion items. A reminder also that canvas shoes are not part of our school uniform. Shoes should be plain black not looking like trainers and without any other additions. Please ensure that your son or daughter has appropriate uniform for the summer term.

## Year 10 Parents' Evening

The Year 10 Parents' Evening is on Thursday 22<sup>nd</sup> April and your child should already have made some appointments with his/her teachers. We look forward to seeing you on 22<sup>nd</sup>.

## Photographs

Our best ambassadors are our pupils. We use images of pupils to promote the school and our principles. If you have any objections please contact Mrs Bovington on [head.pa@slougheton.com](mailto:head.pa@slougheton.com)

## Higher Education

On Monday a group of more than forty Sixth Form students attended an He4Me event in Reading to try lectures in areas they might want to study at university, to see what a campus university is like and also to see a university fair with over one hundred universities present. They found the day very informative and were able to get answers to many important questions about going to university including matters on finance. We look forward to hearing about their success at their chosen universities in the near future.

## Exams

The Summer 2010 exams are due to start shortly after the Easter break and it is extremely important that you are aware of the exams your child will be taking. The school has issued every pupil taking exams with their individual timetable which will indicate what exam your child is taking, on which day and at what time. Please note

that pupils should be in full school uniform and must be prompt for their exams as they can be refused entry if they are late. If you have any queries regarding their exams then please contact Miss Khan, Examinations Officer, as soon as possible.

## Sainsbury's and Tesco Vouchers

A reminder that we are collecting the schools vouchers from Sainsbury's and Tesco's. If you shop at either of these stores please collect the vouchers throughout the holidays and send them in to school with your child at the start of the summer term. Collection boxes are in Reception.

## Year 7 Soccer

This week the team played twice. They beat Burnham Grammar School 4-3 in a very tight and exciting game. Hikmatyar Ahmadzai scoring 2, Dynzell Patrick and Usmaan Javid scoring the others.

The crucial final league game was against unbeaten Westgate. After a dramatic opening with Hickmatyar heading Slough & Eton ahead, the boys had to defend brilliantly against a swift Westgate. A final flourish with Luqman Kassim latching onto a well placed through ball, he guided it into the corner of the goal.

Sukaran Singh kept a clean sheet, for a well earned 2-0 victory, which sees Slough & Eton as the top team winning their division.

They now have a League Final and League Cup final after the Easter break.

Congratulations to all members of the squad.

## Football

Year 9 travelled to Langley Academy on Thursday to finish off their season. A number of key players were missing from the side and the weakened

team lost 3-0 in terrible weather conditions.

The senior girls 5-a-side team finished 7<sup>th</sup> in the Slough Schools Tournament this week, the final round of matches saw us beat Baylis Court 7-1.

## Key Stage 1 Festival

On Thursday girls completing their Sports Leadership Award in Year 11 organised and ran a fantastic Year 1 & 2 multi skills festival in the Sports Hall for Castlevue, Western House, Montem and Cippenham. The pupils enjoyed the experience and have asked if they can come back to Slough & Eton to take part again soon.

## Sports Relief

Pupils and staff have raised over £350 for charity having completed the Sports Relief Mile in P.E. lessons last week.
