We are seeking to appoint an outstanding teacher of English to join our vibrant school from September 2010.

As part of our growth and expansion, we are looking to appoint a highly motivated and ambitious teacher of English to join our thriving and successful English department and contribute to the ongoing success of this popular subject area. In addition to teaching English throughout KS3, 4 and possibly 5, the ability to offer Drama as a second subject to KS3 would be an advantage.

This is an exciting time to join us as we continue our journey to becoming an outstanding school. The last Ofsted inspection in March 2008 judged the school to be 'Good' and under the leadership of a new Headteacher our aim is to be 'Outstanding' in time for our next inspection. As well as welcoming applications from experienced teachers, we can offer an excellent support network and induction programme for Newly Qualified Teachers who are committed to helping young people realise their potential.

The school enjoys the facilities that a recent £10 million development programme has brought and recent inspections have commented on the warm relationships that exist between staff and pupils. Our Sixth Form is rapidly growing and offers a full range of courses to prepare students for the next step in their lives.

If you would like to contribute to our exciting future please visit our website www.hays.co.uk/jobs/sloughandeton or contact Victoria Cawley on 01793 538038 for an application form.

Slough and Eton Church of England Business and Enterprise College are committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment
