

Last night we had an extremely successful Open Evening. We had the highest attendance the school has ever had for one of our Open Evenings with around 300 visitors to our school. It was a pleasure to see so many of our pupils and students here with staff to welcome prospective parents. The children were extremely impressive and spoke with pride about their school and the things that happen here. We are still running tours in the mornings so please get in touch to book a place if you have a son or daughter who is due to join us next year. With only 180 places in each year and with a waiting list it is so important that parents take the opportunity to see our school to inform the choice they will make.

The pupils and students continue to look smart in their uniform. Please make sure your child has an appropriate coat for school. Yesterday many children got very wet during the sudden downpour.

Mr Collins
Headteacher

PiXL (Partners in Excellence) Celebrating Success

Congratulations to Year 12 students Vlad, Manahil, Rahim and Andrei who on Wednesday attended the PiXL Student Celebration event at Central Hall, Westminster, to celebrate their achievements in their GCSE exams last summer. The students were delighted to receive a certificate acknowledging their success and to meet the 'Game Of Thrones' actor James Cosmos.

Maths Assessment Week

Next week is Maths assessment week for all Years. Please make sure that all pupils prepare for these tests and bring all necessary Maths equipment.

All pupils should now have their new MathsWatch logins. Please encourage your children to use these to prepare for their Maths Assessments. If they are not sure how to use it they may ask their teachers to help them with this.

Slough and Eton v Westgate

The Year 7 boys had their first football fixture on Wednesday away at Westgate. The boys played well but ultimately, Westgate were the stronger team and, despite it being 1-0 at half time, ran out 6-0 winners.

Collecting Children for Appointments

If it is absolutely necessary to take your child out of school for an appointment please notify the Attendance Officer or your child's Form Tutor in writing at least one day in advance of the appointment date. It is disruptive to the smooth running of the school if a parent arrives unannounced to collect their child and inconveniences you if you have an unnecessary wait while your child is collected from their class. Your cooperation is greatly appreciated.

On Thursday twenty three Year 13 students visited the Capital Centre in Bracknell for a STEM (Science, Technology, Engineering and Maths) careers event. The students took part in a variety of activities and learnt a lot more about the opportunities available to them in the STEM area.

Upcoming Events

Thursday 19th October

Year 7 Settling in Evening 3.15-5.30pm

Monday 23rd to Friday 27th October

Half-term Holiday

Valuables in School

We would like to remind you that if your son/daughter brings any valuables into school they are doing so at their own risk. The PE department offers a valuables box for pupils to hand their valuables into, however we would ask that where possible they keep all personal valuables at home to avoid them being lost or stolen.

French play: "Mes chers voisins"

Year 9 and pupils studying French at GCSE had the fantastic opportunity to watch the play "Mes chers voisins" by Onatti Productions.

The play was all in French but that was not an issue for the pupils who thoroughly enjoyed the performance.

C'était formidable!
