

# SLOUGH AND ETON REVIEW

SEPTEMBER ISSUE – 28<sup>th</sup> September

## Welcome Back!

Dear Parents and Carers,

This month's review is full of information about the fantastic opportunities on offer to the students at Slough and Eton. I hope you enjoy reading it.

We have had a busy first term so far with our Year 7 and 12 students settling in well along with some new members of other years and

some excellent new teachers.

Our Open Evening earlier this week was a great success and the students involved were a real credit to the school.

Best wishes,

*Peter Collins*

### KEY DATES

**18<sup>th</sup> October - Year 7 Settling In Evening**

**Friday 19<sup>th</sup> October 2018 - Last Day of Term**

**Monday 29<sup>th</sup> October 2018 - New Term Starts**

**Work Hard - Be Nice - No Excuses**

# SCHOOL ATTENDANCE

School starts at 8.30am daily

MINUTES LATE	IMPACT ON YOUR ATTENDANCE IN A YEAR
5 MINUTES A DAY =	3.4 days 98.4% attendance
10 MINUTES A DAY =	6.9 days 97.6% attendance
15 MINUTES A DAY =	10.3 days 94.6% attendance
20 MINUTES A DAY =	13.8 days 92.9% attendance
30 MINUTES A DAY =	20.7 days 89.2% attendance

Attendance is vital for your child to achieve their full potential.

The link between **attendance** and **attainment** is clear.

Students with 6.5% absence or less achieve on average 75% , 9 - 4 grades in their GCSE'S.

Students with 11% absence or more achieve on average 25% , 9 - 4 grades in their GCSE'S.

Students with 30% absence or more achieve no GCSE passes.

## PUNCTUALITY

School starts at 8.30am daily.

- Students who arrive late after the 8.30am bell are greeted by the Attendance Officer and an SLT member who will take down their name and form group. They will then go to their first lesson.
- The gates automatically close at 8.30am and students arriving after this must sign in with the Attendance Officer who will then let them in at the gate.
- Students arriving to school after 8.50am are required to sign in at the Attendance Office.
- Parents are requested to call the school on the first day of a pupil's absence and must, by law, provide a written explanation of the absence upon their child's return to school.

Students are discouraged from taking holidays during school time, but if this is unavoidable, parents must apply in advance to the Headteacher.

Be In SCHOOL  
Be On TIME

## *Lunch with the* **Headteacher**

Mr Collins met with 7 Year 7 students over lunch this week. The students enjoyed the lunch and spoke well of their start to the new school offering valid points about what they would like to see, what they liked and disliked. A number of ideas were put forward about clubs and activities they are interested in seeing.

*A great start by Year 7's!*

## **Bank of England Museum**

16 Year 12 and 13 students visited the Bank of England Museum. Students received a presentation about the role of the Bank of England, monetary policy and the

importance of a stable financial market to ensure prosperity in the UK and international economy. Students also had a tour of the museum and were able to interact with the different displays to enhance their learning. Students also took part in a quiz about the history of the bank. Hina and Hashim won the competition and received a 'golden' Bank of England pen.

# Go4SET Project Launch Day

On Wednesday 19<sup>th</sup> September 6 Year 8 students went to Lakeside Energy from Waste for the launch day of their Go4SET project to become Industrial Cadets. The aim of the 10 week project is to research and design ways to make our school more sustainable and environmentally friendly, with a particular focus on energy efficiency.

During the students' visit to Lakeside they heard more about how recycling works and what happens to waste that can't be recycled. They then got kitted out in hard hats, boots and high visibility jackets and climbed 5 floors to the top of the power station. They saw the people who work behind the scenes to control the giant claw that picks up the waste and put it into the incinerator. They even got to look into the incinerator which burns waste at 650 degrees celcius! They finished up the day meeting their mentor for the project and completing the spaghetti challenge to develop their team work skills!

The students are now a couple weeks into their project and are looking forward to returning in December to present their findings.

# Bookbuzz

On Wednesday 26th September, we launched Bookbuzz where our Year 7 students picked a book from a wide range of genres and received their chosen book for free.

This has been an annual event and has encouraged our children to read a more varied range of books.

## What is Bookbuzz?

*Bookbuzz is a reading programme from Book-Trust that aims to help schools inspire a love of reading in Year 7 and 8 students.*

*Participating schools give their students the opportunity to choose their own book to take home and keep from a list of 17 titles suitable for 11 to 13-year-olds. They are all carefully selected by a panel of experts to ensure quality and suitability.*

# SCIENCECLUB

## KS3 Boys and Girls

This month KS3 students have been attending Boys and Girls Science Club every Tuesday after school. The boys have been designing their own investigations and drawing conclusions from their findings. The girls have set fire to their hands, investigating burning colourful metal compounds that are used to produce fireworks and make slime! Girls' Science Club is every Tuesday afterschool in S1 and Boys' Science Club is every Tuesday after school in S6!

It's fun,  
it's cool,  
it's awesome.  
It's science!

# Author Visit

**Ali Sparkes**

We were delighted to have the author Ali Sparkes visit Slough & Eton on Tuesday 18th September, where she gave a talk to the Year 7 students about her latest book 'Death by Detention'.

It was very entertaining. The students were enthralled and a credit to the school.

# SHAKESPEARE SCHOOLS FESTIVAL

On Friday the 21<sup>st</sup> of September we took a group of Year 8 and 9 students to South Hill Park in Bracknell to take part in the Shakespeare Schools Festival Workshop. We showed a part of the piece from The Tempest that we are working on. This is in preparation for their performance on Friday 19th October at the Wilde Theatre in Bracknell.

*SSF (Shakespeare Schools Festival) is a cultural education charity that exists to instil curiosity and empathy, aspiration and self-esteem, literacy and teamwork - giving young people the confidence to see that all the world is their stage*

Bhangra sessions are held every Wednesday from 3pm to 4pm in the Dance Studio. This is a great opportunity to learn the traditional dance of Punjab and widen your knowledge of Indian culture. Students across all year groups and staff are invited to join the sessions full of fun and fitness! I would advise all to change into comfortable clothing and bring a bottle of water.

See you there!

# 02 Think Big Digital Workshop

On Friday 21<sup>st</sup> of September 15 Year 12 students visited the O2 Office where they took part in the Digital Technology Workshop Challenge. This involved students using their digital and entrepreneurial skills to create a Mobile Phone app which promotes online safety. Slough and Eton students worked effectively with a team of students from schools from the local area to confidently pitch their ideas to an audience of O2 employees and students.

# Leisure facilities

## Arbour Park

Arbour Park Community Sports Stadium was the first addition to Slough's fantastic new sports and leisure facilities. Arbour Park's new floodlit 3G artificial pitch is one of twenty eight FIFA Pro Certified in the country, and the only one in the Berks and Bucks FA region.

## Salt Hill Activity Centre

Once a tenpin bowling alley, the new centre includes: ten pin lanes in a separate area, a large soft play area, a trampolining zone with basketball hoops and battle pits, a hire-wire climbing zone with tight ropes and suspended mid-air tubes, party rooms, caving, café and bar.

## Langley Leisure Centre

Langley Leisure Centre is one of the borough's prime leisure sites but much of the plant and other machinery has come to the end of its useful life. A multi-million pound refurbishment has taken place to extend the facilities, improve car parking and renew tired facilities. Amongst the refurbishments are a brand new gym and large swimming pool inflatables.

## Slough Ice Arena

Slough's new Ice Arena is now open. The Slough Ice Arena includes a new ice rink, new fully-glazed barriers, new changing rooms and toilets, new spectator seating and lighting, café, climbing wall and clip 'n' climb feature and a gym.

## Slough Leisure Centre

Demolition of the old building has been completed - with 95 percent of the materials from The Centre being recycled. The new build will include: a 25m, eight lane, swimming pool, 15m by 10m teaching pool with moveable floor, a unisex changing village (wet), a poolside sauna and steam room, a four court sports hall, a 135 station gym, three exercise studios, male and female changing facilities (dry), a café and treatment rooms.

## Slough Half Marathon

The Slough Half Marathon is returning to the town following an 18 year break. The event will take place on Sunday 14 October, and is perfect for both recreational runners and competitive runners.

**When we do good things, it's nice to be rewarded, right?**

Vivo is here to help.

Vivo is the world's most popular and successful rewards platform. Which means....

we help your teachers reward you for the good things that you do. If you do good things, your teachers will reward you with vivos. These can be exchanged for items in the Vivo shop.

**There are lots of amazing items in the VIVO shop!**

Including: iPhones, iPads, headphones, jewellery, stationary DVDs, fashionable clothing, mobile top-up credit, watches sports equipment, key rings, toys, computer games, painting kits + much more!

## PURCHASING A PRODUCT FROM THE VIVO SHOP

1. Click on Shop
2. Find the item you wish to purchase and click on the Buy now! Button.

- Your item will be delivered to the school
- Your form tutor will give you your item during Tutor time.
