

22ND SEPTEMBER 2017

We are busy preparing for our Open Evening on Thursday 5th October. Some of your children will be asked to join us that evening and help to share with parents the great things that happen here. If you have a younger child in Year 6 then please do come and visit us either during the evening or on one of the tours we have running in the mornings. The details are outlined below.

Our Sixth Form is extremely popular and is now full for this year. We have been delighted with the interest and hope you are proud to know your children are at a school which is now so highly regarded locally. I hope this continues. Last night we hosted welcome meetings for Year 11 and Sixth Form parents. If you missed either of those and need the details please contact your child's Head of Year.

Finally, please make sure your child has a coat for when it rains. We have had some damp children arriving at school on a few mornings since the start of term and this doesn't help them to learn well in the classroom.

## Year 12 Induction Trip to Hillingdon Outdoor Activity Centre

Our Year 12 students attended our annual HOAC trip this week as part of their induction programme. Students displayed impressive teamwork and problem solving skills as they battled their way through a range of physical and mental challenges, including climbing the high ropes, raft-building and taking a leap of faith on the giant swing. Some students even braved jumping in the lake!

## Upcoming Events

**Thursday 28th September**

## Attendance Line

If your child is going to be absent from school please telephone the dedicated Attendance Line 01753

486043 to report the absence. Regular attendance is essential throughout the year and we ask that where possible you make dentist and doctor appointments for your child for after school or during the school holidays.

## YEAR 6 PARENT/PUPIL TOURS

***These will take place from 9.00-10.15am on  
Tuesday 3rd, Wednesday 4th, Thursday 5th,  
Tuesday 10th and Wednesday 11th October***

***If you would like to see this great school in  
action contact [reception@slougheton.com](mailto:reception@slougheton.com) or  
telephone 01753 520824***

## Don't be late.....lateness has a negative impact on learning!

Being late can disrupt lessons and affect achievement. It also means a loss of learning time:

**5 minutes late every day adds up to 3 days lost each year**

**10 minutes adds up to 6 days lost each year**

**15 minutes adds up to 10 days lost each year**

**20 minutes adds up to 13 days lost each year**

**30 minutes adds up to 19 days lost each year**

Please do everything possible to ensure that your child arrives at school on time every day. A free breakfast is provided from 7.50am daily for those children who arrive early.

All children should be in school by 8.20am.
