

Science Teacher

September 2020 start

**Salary fringe area – Up to £41,634
Full/part time will be considered**

Slough and Eton is looking for a great teacher to join our Science department in September. We have an excellent subject leader and a great mix of experienced and recently qualified or training staff in the team. Science, including the separate sciences, is a successful and popular subject at Key Stage 4 and 5.

The department is in a dedicated Science area and benefits from access to the latest Clevertouch interactive technology. The new member of this team needs to be a qualified Science teacher with a love of the subject. If that's you then you will need to be hardworking, dedicated to ensuring students of all abilities can succeed and, crucially, a great classroom teacher. Previous experience of examination teaching at either KS4 or 5 is essential although there is no requirement to have taught post-16 previously. NQTs are encouraged to apply as this is a great team to develop your teaching skills with. If the successful candidate is a Physics or Chemistry graduate this post comes with the opportunity to teach that subject at A level.

Slough and Eton is a great school on the outskirts of Slough, which serves the Chalvey community. We are relentlessly focused on ensuring great teaching, learning and experiences are at the core of what we do. It is an exciting time for us and our students are a pleasure to work with.

If you are interested in finding out more then please read the welcome letter from our Headteacher and feel free to visit the school in advance of applying.

We welcome applications from colleagues who may wish to be considered in a part-time/job share capacity and are happy to explore flexible working arrangements. We are, of course, committed to safeguarding the welfare of our students and staff and will conduct all necessary DBS checks as part of our recruitment process.

We look forward to hearing from you.

If you would like to contribute to our exciting future please visit our website at www.slougheton.com in the vacancy section for further details and application pack or contact our HR Advisor, Beverly Glanville for an application form vacancies@slougheton.com. **CV's alone will not be accepted as a valid application.**

NO AGENCIES PLEASE

We reserve the right to interview promising candidates prior to this date if applications are received early.

Closing date Friday 27th March 2020 (9am)

Interviews w/c 30th March 2020
