This is Slough and East Berkshire C of E Multi Academy Trust Publication Scheme on information available under the Freedom of Information Act 2000 and covers all schools within the Trust.

The Board of Directors is responsible for the maintenance of this Scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our public scheme is either available for you on our website to download and print off, or available in paper form.

Some information we hold may not be made public, for example personal information.

2. Categories of Information

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner and includes:-

- Aims and Objectives-See Annex A
- Categories of Information Published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. The classes of information that we undertake to make available are organised into four broad topic areas:

- School Prospectus – information published in the school prospectus.
- Governors Documents -information published in the minutes of the Governor Meetings and other related documents.
- Students and Curriculum - information about policies that relate to students and the school curriculum.
- School Policies and other information related to the school – information about policies that relate to the school in general.

Further details are given at Annex B
