

# SLOUGH AND ETON REVIEW

JULY ISSUE – 24<sup>th</sup> July 2018

## School's out for Summer!

Dear Parents and Carers

Today we have finally come to the end of term. I think the hot weather has left us waiting for today for what feels like a long time! It has been a great privilege to work with the students this year and there have been so many great experiences and opportunities in school. As you look through this month's Review I think you will see just how busy and exciting the end of term has been for students and what a good rest everybody now deserves.

Students return in September on Thursday 6<sup>th</sup> September. Our new Year 7 and 12/13 students start at 8.30am with everyone else arriving at 9.15am straight to their form rooms. Lessons begin later that day and it is really important that students do not miss the start of term. Full and correct uniform will be expected and we will be looking carefully at haircuts so please ensure your child comes to school with an appropriate one.

The 6 week break provides a great opportunity for students to have a good rest and prepare for September. Students in Years 10 and 12 have work to do and everyone should read and listen to the news when they can to keep on top of current affairs.

I wish you all a happy and safe time together over the holiday and look forward to seeing the students back in school in September.

Best wishes,

*Peter Collins*

### KEY DATES

**Thursday 6<sup>th</sup> September 2018 - Students in School**

Year 7, 12, 13 08:30am

Year 8, 9, 10, 11 09:15am

**Have a story you would like included in next month's newsletter?**

**Please contact us with your story. Email : [sloughandetonreview@slougheton.com](mailto:sloughandetonreview@slougheton.com)**

**Work Hard - Be Nice - No Excuses**

# LONDON TRIP

On Friday 13<sup>th</sup> July 2018, the Year 8 Transition class visited London with Mr Harvey, Ms Malhotra and Mrs Samad, where they travelled down the River Thames on the Thames Clipper river boat towards Greenwich. The students took in the breath taking views of some of the most famous landmarks in London including the Tower of London and the London Eye.

At North Greenwich, the students boarded the Emirates Air Line cable car, where they crossed the River Thames soaring at 90 metres about the river between Greenwich Peninsula and the Royal Docks. To end the trip, the students visited the historical Cutty Sark - a British clipper ship. Built on the River Clyde in 1869 for the Jock Willis Shipping Line, she was one of the last tea clippers to be built and one of the fastest. The trip was thoroughly enjoyed by all.

## *Lunch with the* **Headteacher**

Five Year 12 students met with Mr Collins over a lunch break as part of getting to know the views of life as a student in Year 12 at Slough and Eton.

Good conversations were had regarding what it was like to move from Year 11 to Year 12, how it was different from Year 11 and how they would like to be more joined up with Year 13.

The students were very positive and spoke about how they receive great support from their teachers, including interventions and study support, and how they feel they are treated as an individual. As one student mentioned, she felt the Year 12 timetable was like 'a prison' at first but it really worked and she took great benefit from it and it enabled her to work more.

They enjoy working with the Learner Support Mentors and find them really helpful.

*A good lunch was had with very interesting, thoughtful and positive views!*

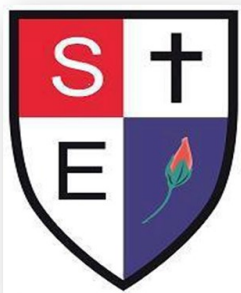

### **Season's Restaurant Price List—2018/2019**

We have kept our Restaurant prices the same now for over 5 years, however, food costs have risen over that time which we have tried to absorb, but we cannot continue to subsidise the restaurant to the same level and need to increase our prices in line with the costs that we have to pay. Attached is the new pricelist, this will also be present at all serving stations so your children will have access to it.

If your child is eligible for free school meals the allowance has increased to £2.20 to coincide with the new prices. This is will be loaded on to the till system ready for September. An example of a way for the allowance to be used is a £1.50 meal, a 30p Sunpride carton of juice or small water bottle and a 40p dessert. The students can have any items that they want up to that value (£2.20) but any items over this amount will be charged in addition. They will require funds to pay for this!

# Season's Restaurant

## Price List 2018/2019

### Pasta King

Pasta, Sauce & Cheese	£1.50
Pasta & Sauce	£1.40
Pasta & Cheese	£1.10
½ Pot Pasta, Sauce & Cheese	£1.20

Oat and Raisin Cookie	40p
Iced Cake	40p
Spoonful of Salad	25p
Tomato Ketchup	10p

The **longest** tennis match lasted 11 hours and 5 min at Wimbledon 2010

#### WIMBLEDON FACT

Wimbledon always starts on the sixth Monday before the first Monday of August.

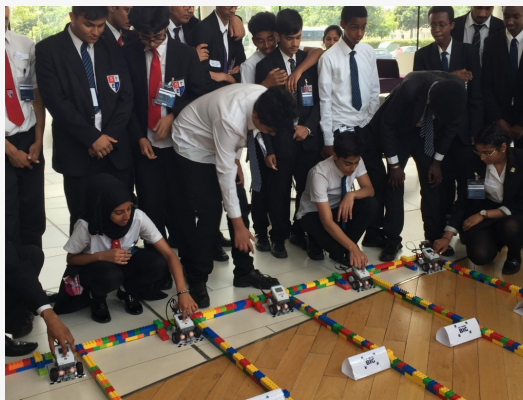

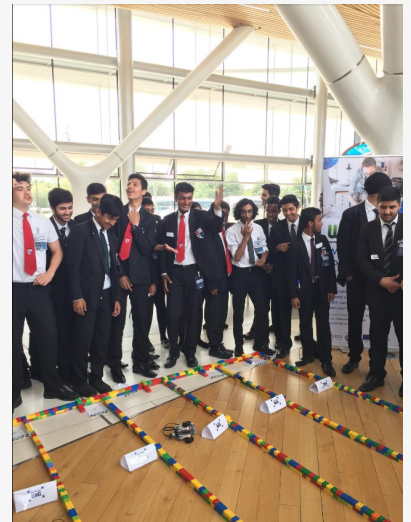

On Friday 13<sup>th</sup> July, the Year 10 Achieve club travelled to the All England Lawn Tennis Association in Wimbledon to watch and experience world class tennis. The students won the tickets to attend Wimbledon as part of their Tennis Training and Tournament for their unit of work on "Participating in Sport", as part of their Achieve Qualification. The students were lucky enough to see Novak Djokovic and Rafael Nadal playing warm-up matches on the practice courts, in the morning, before they faced each other on Centre Court that afternoon. A fantastic day was had by all! Thank you to the Prince's Trust for giving our students this opportunity!

# mindstorms®

On Friday 13th July, forty-two Year 10 students went to O2 Telefonica in Slough. They worked with students from other schools and people working in STEM to build and programme robots that raced each other. It was a fun, interactive day and the students showed great perseverance, team work, problem solving skills and enthusiasm. The winning group included Misfat, Hammad and Muhammed - well done boys!

THE TRANSFORMATION TRUST  
**ROCK  
 ASSEMBLY**

**LONDON SSE ARENA JULY 12TH 2018**

On Thursday 12<sup>th</sup> July, Young Chamber students from Years 8-12 were rewarded with an amazing day out at Wembley Arena for the annual Rock Assembly. The students attended alongside 10,000 others from all over the country.

The 'Futures Fair' provided an opportunity to talk directly to members of staff from top universities and big brand employers about education and employment post-16. The concert, featuring a number of big name acts including, Mabel McVey, Sam Smith and Hak Baker, was the perfect end-of-year reward for all the hard work done this year.

*The 'Futures Fair' featured universities and employers such as Barclays, Co-op, the RAF, Penguin and Siemens.*

Year 7

# Kingswood Trip

On Friday 6th July, Mr Parker, Miss Johnson and Mr Ventress travelled with a group of 33 Year 7s to the Kingswood Centre in Kent to spend three days taking part in activities and enjoying ourselves in the brilliant sunshine. In addition to watching England breeze past Sweden in the World Cup Quarter Final match, the students took part in all kinds of exciting things, including an obstacle course, 3G Swing, Archery, Aeroball, Scrapheap Challenge and Raft Building to name a few. When it came to the head to head sing-off competition at the campfire on Saturday evening, the students' encyclopedic knowledge of rap music meant that the other group didn't stand a chance. Slough and Eton would like to congratulate the majority of those who came on the trip for their displays of excellent teamwork, overcoming their fear of heights, and for helping others out who were in need. Overall, the students represented Slough & Eton wonderfully.

## Disney Aladdin

On Thursday 19<sup>th</sup> July Miss Miller took a group of students ranging from Year 7 to Year 12 to see the West End performance of Aladdin. Everyone loved the show and you could feel the magic shared around the audience. It was great for the students to see a professional

performance and all the work that goes into creating an amazing show. We hope more students will take up the opportunity to visit the theatre next year.

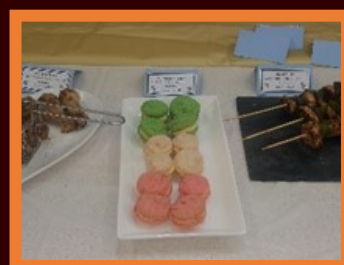

**Year 7, 8 and 9 have all competed in the heats trials this term in preparation for the Junior Masterchef finals.**

**Students are required to work in teams of three and to produce a three course menu with a budget of £15. The meals they decide to make will need to be nutritious and be suitable for the occasion/theme they chose.**

**All students made a fantastic effort and finalists became very difficult to choose.**

**Year 8 and Year 9 both resulted in a semi-final cook off, where two teams from each year had to compete against one another to get the final.**

The final took place on 11<sup>th</sup> July at Ditton Park Academy.

The Year 7 team had a Wimbledon themed occasion and dishes consisted of a variety of mini circular sandwiches with various fillings, home baked fish and chips and homemade tartar sauce and traditional scones with clotted cream and fresh strawberries for the dessert – see below pictures.

The Year 8 team had an Eid celebration themed occasion and dishes consisted of, self-assemble chicken kebabs with roasted vegetables, mint chutney and tomato salsa, the main consisted of a spicy chicken biriyani served with a spiralled salad and yoghurt raita and the dessert was a traditional Indian pistachio cake served with lemon cream and raspberries.

The Year 9 team had a World cup themed occasion consisting of an array of multicultural dishes. Starter was Egyptian Falafels served on a bed of salad served with fresh homemade hummus and tabbouleh salad. The main was a traditional British chicken and mushroom pie topped with puff pastry and served with mash potato and fresh asparagus.

Congratulations to Sanah in Year 8 who received a prize for best main course.

Congratulations to Year 9 who came first place winning individual prizes and vouchers as well as beautiful trophy for their school.

# GIRLS GET ACTIVE DAY

On Wednesday 11th July, we held our 5th annual Get Girls Active Day at Slough and Eton School. We invited all secondary schools across Slough to attend and over 126 girls across the area attended the festival.

The aim of our 'Get Girls Active Day' is to encourage young girls to become more active and involved in sports that are available within their school and local community. We hope to inspire the girls and provide them with opportunities to be exposed to these sports. The festival we run is not about competition; it is a festival to allow the girls to enjoy sports, meet new friends and have a fun and exciting day.

This year we were pleased to invite Jeanette Kwayke a retired British sprinter and Alex Paske who is a coach from the UK who founded Mintridge Events in 2014 aged only 24 and won the "Women of the Future" Award, aimed at successful young British Women. Both women were inspirational and came to speak to our students about their sporting success, failures and perseverance. They stayed all day and encouraged and motivated all girls' to get involved and participate.

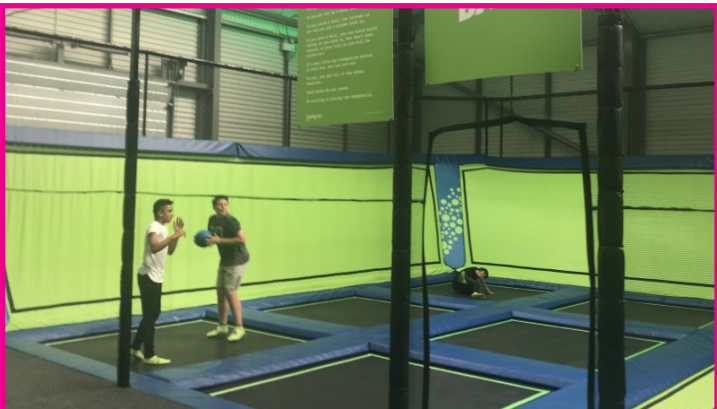

We look forward to running another Get Girls Active Festival next year and inviting the same inspirational women back to be involved in the day.

# jump in

## SLOUGH

### PE Rewards Trip to Jump In Trampoline Park

On Thursday 5th July, the PE department took 53 students to Jump In Trampoline Park in the Slough Trading Estate. Students were invited by the department if they had shown commitment to a particular extra curricular sports team throughout the year. Students that were selected would have taken part in one or more of the following sports teams:

- Athletics Team
- Cricket Team (Boys)
- Cricket Team (Girls)
- Football Team (Boys)
- Football Team (Girls)
- Netball Team (Girls)
- Rounders Team (Girls)

The Trampoline Park has many interconnected trampolines, but also has other activities such as Dodgeball, basketball slam dunk, a tumble track, battle beam, a giant air bag, a drop slide, plus many more activities. It is open during the school holidays between the following times:

Monday - Thursday 10am - 8pm

Friday 10am - 10pm

Saturday 9am - 9pm

Sunday 9am - 8pm

It was a great trip enjoyed by both students and staff and we look forward to running another trip their next year.

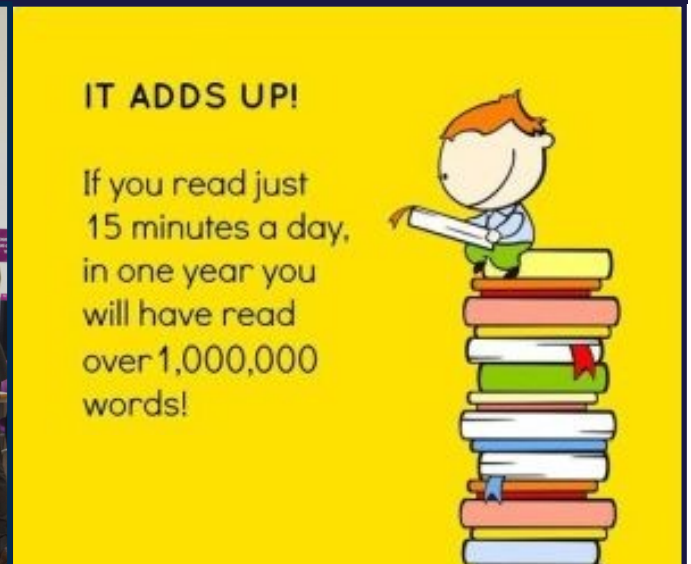

# WORD MILLIONAIRE

Today we held a special luncheon for our Millionaire Word Readers to celebrate their success in reading over a million words this year.

A huge congratulations must go to Alizeh who read over 7 Million words and Laiba who read over 6 million words.

Mr Collins and Mr Scragg (Chair of Governors) presented our readers with certificates and enjoyed meeting with the avid readers.

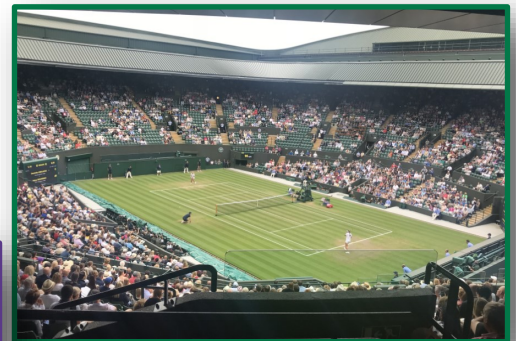

On Tuesday 10th July, Miss Dale took 8 GCSE PE students to Wimbledon Lawn Tennis Club to watch some elite tennis. The students travelled by minibus to Wimbledon Tennis Club and firstly went to Court Number 3 to see the men's senior doubles match, which saw M. Bahrami (FRA) and G. Ivanisevic (CRO) take on J. Eltingh (NED) and P. Haarhuis (NED). It was a fantastic match which included comical scenes and provided our students with 2 hours of pure entertainment.

At 1pm, the students took their seats on Court Number 1, where they watched two ladies quarter final matches. J. Ostapenko from Latvia (seeded 12th in the world) defeated D. Cilbulkova from Slovakia (unseeded). J. Goerges from Germany (seeded 13th in the world) defeated K. Bertens from the Netherlands (seeded 20th in the world).

The students had a chance to walk around the venue watching other games on various courts, including getting a chance to go on to Henman Hill (or known now as Murray Mound) and watch Serena Williams on the big TV screen, whilst she was playing on Centre Court.

Overall, it was a fantastic day out with some great tennis being played in the beautiful sunshine.

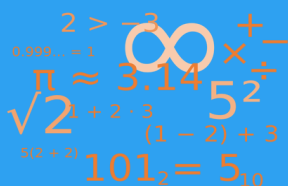

# MANGAHIGH

Years 7, 8 and 9 select students took part in game-based digital resource called Manga High this week. It proved as an effective tool for enhancing student motivation in mathematics.

Students took part in over 700 activities in mathematics split between arcade style Games and Prodigy Quizzes. Both activities were automatically adaptable in difficulty to ensure each student is working within their Zone of Proximal Development.

The students (rights) will receive Manga High medals for scoring more than 150 points.

## Games-Based Learning for K-10 Maths

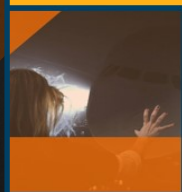

# Portfolio and Character Workshop

ESCAPE  
STUDIOS

Year 12

Twenty Year 12 students had the opportunity to meet a representative from Escape Studios who ran a Character Workshop. Students learnt about the various processes a designer goes through when working on a project. They learnt the differences between Visual Effects, Games Design and Animation. They were also given tips and advice on creating an eye catching Portfolio and how to communicate their designs across to different audiences.

Students were then given a brief where they had to create a character which represented their favourite school subject. They had to work in teams to discuss the shape, colour and features of the character. Once they had finalised their designs, each group pitched their idea and discussed their reasons for the choices they had made collectively as a team.

All students put a lot of thought into this and displayed exceptional team working skills. The character designs were very creative and gave them a real insight in developing designs, working from a new brief.

## About Escape Studios

Escape Studios has been creating world-class, studio-ready talent in the disciplines of VFX, games and animation since 2003. Escape Studios offer undergraduate, postgraduate and short courses in Visual Effects (VFX), Game Art, Animation and Motion Graphics.

They also work with an impressive list of industry partners from MPC, Cinesite, Framestore and The Mill, through to Jellyfish, Milk and BlueBolt, to name just a few! 'Escapees' have worked on everything from Star Wars: The Force Awakens, Ex Machina, Spectre, Doctor Strange, The Jungle Book and more!

# O2 On Line Trading Day

On Wednesday 11th July, twenty five Business students took part in an 'On Line Trading Day' at O2 Telefonica in Slough. The day involved a one day workshop that enabled students to get behind the scenes of a major e-commerce operation at O2. The workshop consisted of a range of tasks and competitions which enabled students to get an overview of the job roles involved in a major e-commerce operation. Students had the opportunity to gain an insight into the different disciplines, challenges faced and decisions that employees face on a daily basis.

Below is a picture of the winning team.

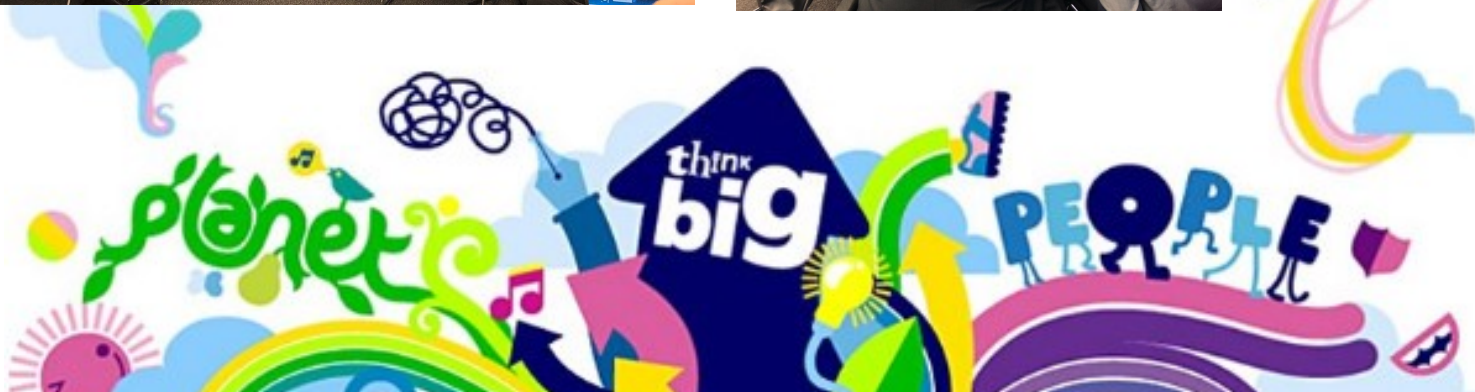

*My experience at O2 was wonderful as I got the opportunity of having an insight of how the business' different departments work together in the e-commerce operation in order to satisfy their customer needs and wants. I also learned how much money in digital marketing is spent however, it is cost-effective as the benefits of it outweigh the costs. I also had a lot of fun by doing the various tasks we were given. Moreover, we learned about online trading and merchandising, User Experience, designing posters, online analytics and online operations.*

*My group consisted of myself, Melford, Aisha, Nathan and Taps, but I think his actual name is Tapuwa. Our last task for the day was to create and design a website for the business, that would show the new product launch of the iPhone 11. This task was a competition and the winner group would receive an award. We had to include specific things that were given to us such as information about the flexible tariff for the iPhone 11 etc. The website was created through a software called 'wix'. First the judges chose three finalists and afterwards, the whole class excluding the group finalist had to vote for the best website and my group was chosen. Each one of us received a £10 Google Play card for winning the competition.*

*Also, Nathan won another £10 Google Play, when we were playing a game on Kahoot! .*

*Hina—Year 12*

## Creative Arts COMPETITION

On Friday 13<sup>th</sup> July the whole of Year 7 took part in a Creative Arts Competition. During the past term in Drama each class learnt and rehearsed a different Shakespeare play and in Music each class learnt and practiced a different song from a Musical.

On the day the year group was split into two groups and took it in turns performing their songs and Shakespeare performance to other half the group and out two judges.

All the classes worked really hard and it was amazing to see all their hard work pay off. The judges were overall extremely impressed with everyone. Here are some of their comments:

**Red**- Singing: Good volume and in time  
Drama: Increasingly clear and confident

**Yellow**- Singing: A difficult number but a good attempt  
Drama: Good stage action and emphasis on voice

**Grey** - Singing: Clear, good timing and no silliness  
Drama: Use of all the stage and good volume

**7 Group C** – Singing: Improved towards the end  
Drama: Clear and well delivered by 2 main girls in the group. Great when talking as an ensemble

**Green**- Singing: Loud and proud and points  
Drama: Worked well as a team some feeling s and emotions put into the lines

**Blue**- Singing: Good at the end and loved the trombone  
Drama: worked well as a team. Well delivered and some had learnt their lines.

**Mauve**- Singing: Very confident and very entertaining  
Drama: Good focus on stage and good use of large numbers on stage.

It is clear from the above comments that there are a lot of talented students in Year 7 and we would like to encourage them to take part in future Performing Arts projects run by the Drama and Music Departments.

Although only one class could win, everyone should be extremely proud of themselves with what they created.

Joint 3<sup>rd</sup> – Mauve and Red

2<sup>nd</sup> – Green

1<sup>st</sup> – Grey

## During the school summer holidays Slough Borough Council's Active Slough team will be delivering sport and physical activity sessions.

All of the sessions are free to attend for all children aged 5-16 years old. Children under the age of 8 must be accompanied by an adult for the duration of the session.

All of the sessions are weather dependent. Please keep up-to-date via our social media pages or if in doubt give us a call on the day.

Multi-sports could include any of the following activities: football, rounders, kwik cricket, netball, frisbee golf, basketball or orienteering.

These sessions will run alongside the existing Active Slough programme.

*Special thank you to Decathlon Slough who are very kindly donating equipment to support the programme.*

## Girls Football Festival

On Wednesday 4<sup>th</sup> July Year 7, 8 and 9 girls went to Arbour Park Stadium in Slough and participated in Female Football Festival to raise awareness of female sport. They played 5 -a- side games with other students from Secondary Schools in Slough.

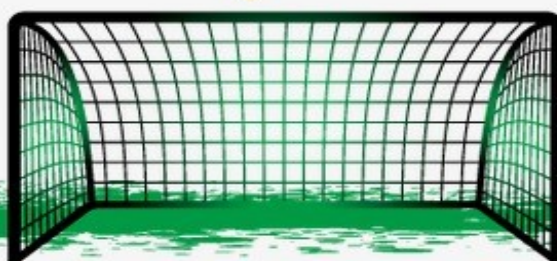

The girls also took part in different skill workshops like inflatables, face painting and craft workshop. It was a fantastic day for our students, who were very dedicated to football over the last academic year and extremely determined to improve their football skills.

Well done girls!

*Year 7& 8 Aroosa, Apiraami, Hajira, Saara, Nabira, Aya, Hajrah, Kadija, Honorata and Sara*

*Year 9 Hannan, Isra, Kristina, Shelley, Reem, Mahnoor, Maham, Liandra, Sindrah and Laviza.*

YEAR 7 - ENTERPRISE DAY

# TEAM BUILDING

## THE HUB CHALLENGE

Year 7 students took part in the 'Hub Challenge' which incorporated various team building and problem solving tasks which the students tackled in groups, in a round robin style activity day. The tasks are designed to inspire the students to plan, communicate, work together, motivate themselves and others throughout the day with the groups being encouraged to self-reflect at regular intervals.

Year 8 - ENTERPRISE DAY

# BUSHCRAFT CHALLENGE

Year 8 students took part in the 'Bushcraft Challenge'. They consist of up to 5 different stations and the students are able to participate in all of the different activities throughout the day which included building a shelter, carving, whittling and friction fire lighting.

The activities were designed to encourage the students to engage with nature as they experience ways to provide for their team without the use of modern technology.

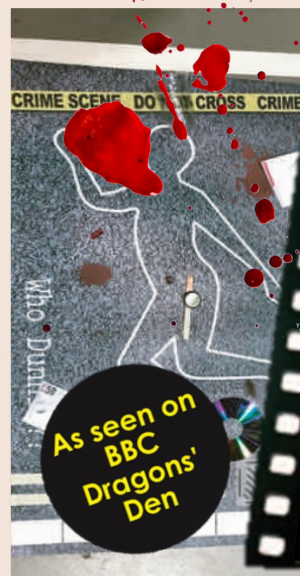

## YEAR 9 ENTERPRISE DAY—CSI FORENSIC WORKSHOP

Year 9 students learnt about crime scene techniques and forensic science processes. All students were fully engaged in practical, 'hands-on' activities, which included fingerprinting using magnetic powder and black ink, taking footwear castings, in addition to analysing their own hair and fibres. The last part of the session included looking at the collection and preservation of evidence at a crime scenes. In the afternoon, all students donned a white SOCO (Scene of Crime Officer) suit, gloves, mask and overshoes and then they were required to apply their newly acquired skill-set. Studentss investigated the Crime Scenes and report their findings with the help of suspect profiles and Forensic CSI cases full of resources!

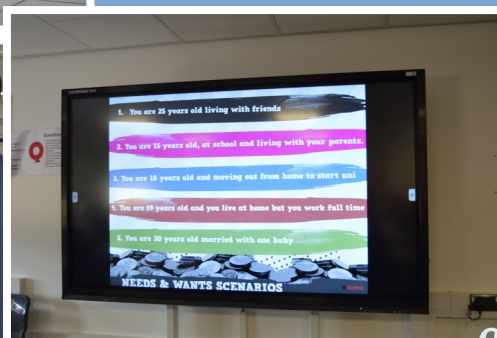

# ENTERPRISE DAY

YEAR 10

Year 10 students took part in the Money Twist workshop; a series of activity based workshops which included practical **everyday financial matters**.

The workshops are designed to get young people thinking and caring about their finances, both now and in their short and long-term futures.

#### Sudoku Rules:

The goal of sudoku is simple: **fill in the numbers 1-9 exactly once in every row, column, and 3x3 region.** For example, look at the above puzzle and compare it to the solved version below. Notice that every row, column and 3x3 region contain every number from 1-9 exactly once.

have fun ☺

#### Summer Days Word Scramble

Unscramble the words, then use the highlighted letters to figure out the secret message.

Hint: The secret message is scrambled too!
